

Tree Terminologies

28 November 2023 16:58

① Degree of the tree = Max degree in that tree.
degree of the above tree = 3.

② Level of the tree = Max level in that tree.
level of the above tree = 5.

left tree of 50 is empty → -1
Right " " " " " → -1.

$$50 \rightarrow \max(-1, -1) + 1 = 0$$
